Right Stuf is proud to announce that on 6/24/2003 STARSHIP GIRL YAMAMOTO YOHKO THE DVD COLLECTION will be re-released with ALL NEW PACKAGING at an ALL NEW LOW PRICE of just \$19.98 for all 6 OVA episodes!

From J.C. Staff (the producers of EXCEL SAGA / HIS AND HER CIRCUMSTANCES) and Character Designer Kazuto Nakazawa (TENCHI IN TOKYO / EL HAZARD) comes a trip into the fantastic fun of the future!

A thousand years from now, the great battles between civilizations have been reduced to the shoulders of a handful of chosen champions. When a war is waged, each side picks its representatives, gives them spaceships and the fight is on! Of course if their champion loses, they must admit defeat and give in to the wishes of the other. Very handy, very civilized ... unless you don't happen to have any good fighters...

Terra team has had it tough lately: Ness' "Red Snappers" team has had things their way. Even with technically superior ships, things are bleak for Terra... To make matters worse, they only have three pilots. Despite a concerted effort to recruit girls from the past, the team simply keeps losing! Now they desperately need someone special...someone powerful, capable, and who possess a killer instinct. A pilot of extraordinary skill to crew the new model ship. They need ... Yamamoto Yohko!

Now if they can just convince her that a better life awaits her in the future, with new friends, new videogames and some very powerful hypertechnology (well some things just take less convincing than others!), Terra might be able to defeat the Red Snappers for a change!

Contains ALL 6 Starship Girl Yamamoto Yohko OVA episodes!

Bonus DVD content includes:

Slideshow, Outtakes, Dolby Digital 2.0 Stereo for English and Japanese Dialogue, and English Subtitles.
